Lieutenant Lick, Thank you for arranging our meeting last week and inviting your your captain and Ms. Rodelo in to learn about Rings approach to reducing crime in communities.

As demonstrated, our platform combines the deterrent value of a visible security system (devices) with the power of an actively engaged community (via a free app) to reduce criminal activity and to help solve open investigations.

Neighbors Portal is law enforcements access to our platform. Portal highlights include:

1. No Cost - Neighbors Portal is free to Law Enforcement
2. Community Engagement - LE's ability to join the conversation (about posted video or in response to posted comments).
3. Alerts - You may post Alerts which are highly relevant (proximity) to the recipient.
4. Video Request - You may request video from Ring device owners relevant to active investigations.

As you or Lisa review the attached MOU, please feel free to contact me at any time. My cell number is 949-690-6979. If there are changes necessary, I can assist with the business language before we submit the document to legal for final approval.

Thanks again. I look forward to working with you and the Escondido Police Department soon.

Regards, Ray
